

EXTRA CURRICULAR ACTIVITIES 2010 - 2011

There are a large number of extra curricular activities which operate each week and are supervised by School Staff for which there are usually no charge. The activities specified below are either supervised by outside agencies or use materials bought especially for the activity. Consequently there is a cost involved and this has been passed on to those pupils attending the club.

Where costs are stated per term this is deemed to mean 10 lessons per term

Half a term's notice in writing is required if your child wishes to stop having school lunches, music, SEN tuition or any extra curricular activities involving a cost.

Music Lessons

We are able to offer individual tuition in voice, piano and a range of other instruments. If you would like your child(ren) to have individual music lessons the cost depends on the lesson/instrument taken. The cost will be clarified at the time of booking. The lessons take place during school time or, occasionally, out of school hours. The cost is invoiced termly.
